

FESTIVAL '23 SIPPERS SYMPOSIUM

Club Showcase

Greetings Wine Enthusiasts

Saturday, June 24, 2023 is the date for our long awaited AWO Conference - Sippers Symposium. We hope you have saved the date!

Each participating club will be provided with a table or half-table for the evening Showcase event. The Showcase is a chance to highlight your club's award-winning wines or simply your favourite creation. Showcase organizers will need to know your preference for full or half-table and if you require access to an electrical outlet.

Clubs should provide their own tablecloth, decorations, extension cord, dump buckets, corkscrews, crackers or a snack for Showcase participants.

This is a chance for your club to shine as there will be a prize for the best decorated table and one for the best judged wine. Should you feel extra celebratory, feel free to express yourself and dress for the occasion. Tuxes, togas, costumes historical or fantastical are all welcome. Or simply come as you are and enjoy.

Please contact the organizers listed below to reserve a table prior to the Festival date.

Cheers!
