Determined on a future in winegrowing, Shiraz entered the Cool Climate Oenology and Viticulture Institute (CCOVI) at Brock University in 1997 and became one of its first graduates in 2000, the same year he joined Malivoire.

Demonstrating skill and instinct, he quickly rose from Assistant Winemaker to Winemaker by 2005, achieving honours in 2017 as Ontario Winemaker of the Year.

In 2021, Malivoire was recognized by WineAlign as Canadian Winery of the Year.

Last year Shiraz assumed his current role as Team Principal and General Manager of Malivoire Wine.
