

Greetings Wine Enthusiasts !

Our 55th Anniversary Festival – **Vintage 55 Jubilee** – is Saturday, June 22, 2024 !

We hope you have saved the date. If you missed last years' joyful celebration, we hope you plan to attend this year. Please go to www.makewine.com for all of the details.

This year the Showcase theme is **Flashback to the '60's**.

For a lot of us, those were our formative years; we acted out, grew up and started to become the people we are today. The music and fashions were a big statement of the times. We plan to celebrate that along with sharing our clubs' wines.

This Showcase is a chance to highlight your clubs Award winning wines or simply your favourite creation. Clubs need to provide their own tablecloth, decorations, extension cord, small dump buckets, corkscrews, crackers or a snack for Showcase participants.

Showcase organizers will need to know your preference for full or half-table and if you require access to an electrical outlet. The tables need to be reserved in advance. If you would like to reserve a table, please contact me at the email below.

This is a chance for your club to shine, as there will be a prize for the best-decorated table and one for the best-judged wine.

Feel free to express yourself and dress to commemorate the '60's !

Cheers!

Karen Leonard
